# INTRODUCTION

We would like to begin by thanking and acknowledging all the parents for their unconditional support and belief in our school during these unprecedented times owing to the pandemic outbreak. The challenges that come our way make us stronger than we ever were and DPS Durg believes in maintaining its tradition of excellence through thick and thin. In light of this, we have been conducting quality online classes for our students for the past month and a half, wherein the teachers worked relentlessly to give them the best approach to learning in every subject. Your supervision and support made our classes more impactful and effective. We pray that the situation returns to normal, or a new normal and until then we will be continuing classes via online mode.

This Newsletter brings you glimpses of the various events that were organized at DPS Durg pre-lockdown and is essentially a trip down DPS Durg's Memory Lane! Our school had been buzzing with many activities, cackles of laughter and a vibrant Dipsite energy. Here is a glimpse of all the events coupled with some school nostalgia.
